

# Rixy Stages 2024 – Competitor Bulletin no.1

16<sup>th</sup> December 2024

## 1) Overnight Parking

We have arranged for a secure parking area in Thetford overnight between Saturday 28th and Sunday 29th December. You may stay in a vehicle e.g. motorhome at this location, but there is no electricity, water, or other facilities and no water or waste is to be discharged.

If you want to use this, please contact Brett Murray at: [brettmurrayrallying@gmail.com](mailto:brettmurrayrallying@gmail.com).

## 2) Officials

The Motorsport UK Steward is David Walton

Event Stewards are Alan Barnard and Ian Hattersley

The Chief Medical Officer is John Horton

## 3) Roadbook

This year's roadbook will have a different format to last year. Following feedback from competitors, we are including a section of OS 1:25000 map on each page above the 'tulip' diagrams. An example of this is shown on the website at [https://rixystages.co.uk/Example\\_Roadbook](https://rixystages.co.uk/Example_Roadbook)

## 4) Sheep

There are sheep grazing on the site at Stanta. Shepherds will be on hand to keep them away from the rally as far as possible. However if you do hit a sheep, or think you might have, you must inform the organisers as soon as possible. This is likely to be at the Stop line at the end of the stage. As per the SRs there will be a charge for any sheep that is killed or injured.

Final instructions will be issued a few days before the event.

Secretary of the Meeting
