1. Insurance

Would all competitors note that we will now be using the newly launched Motorsport UK insurance scheme for road section extension cover. Bulletin 4 details the relevant changes to the regulations. All competitors must now go into their entry forms and check that they have selected the correct option for insurance. Note that the wording of these will have altered slightly to reflect the new policy. In addition, since the premium is higher than the provisional figure previously shown, which was based on the amount charged by REIS in 2025, any competitor opting to use the scheme will need to ensure that they deposit the necessary funds to cover the new premium. i.e. £50 which is an additional £14. If you have any queries please contact entries@jimclarkrally.co.uk

Anyone who has not yet provided contact details on their entry form will not receive the necessary decals and tracking code until they have provided such details. Anyone who does not do so in a timely manner may not be able to undertake reconnaissance.

Please note that hard copy road books will not be issued until the event but will be available on the relevant Sportity channel.
