

**FIM EUROPE – MiniEnduro Europe Cup – Nagytarcsa – 11-13.07.2025**

## Important Information for Riders

**Start time on both days:** From 9:00

**Markings:** Follow **only the blue markings!** Red markings must be **ignored**.

**After the start:**

Approx. 200 meters after the start, there is a **roundabout**.

- Take the **2nd exit**, which will be marked with a sign saying "**Etap**".
  - At the end of the lap, take the **1st exit**, marked with a sign saying "**Paddock**".
- 

### Bridge Crossing Rules

- There will be **STOP signs on both sides** of the bridge – **stopping is mandatory!**
  - After the STOP sign, the engine **must be turned off**, and the motorcycle must be **pushed across the bridge on foot** until the next trail.
  - This will be monitored by a **race marshal**, and any violation will result in a **penalty**.
  - These rules apply **in both directions**, at the **beginning and end** of the etap.
- 

### Etap Section Safety

- Where you enter paved roads, **marshals will be present** to guide and ensure safe crossing.
  - From there, the etap continues, leading into the **first section: the Enduro test**.
- 

### Enduro Test

- At the beginning of the test, there are two descents:
    - an **easier** route
    - and a **more difficult** route.

**All riders are requested to walk and inspect the course beforehand.**
  - After the Enduro test, another etap follows – continue to follow the **blue markings**.
-

## Liaison Sections – Traffic Rules

- On liaison dirt roads, all connection points will be **closed off**, but riders must still proceed with **increased caution**.
  - **Agricultural vehicles or hikers may appear at any time!**
  - It is **strictly forbidden** to leave the main route or enter agricultural land.
    - Any rider who leaves the marked trail is subject to **immediate disqualification**.
- 

## Cross Test

- There will be several **STOP signs** before the Cross Test.
    - **Stopping is mandatory** at these signs, even if **no marshal is present**.
    - **Stop, look both ways, and proceed only when it is safe.**
- 

## Signage During the Race

- The **exclamation mark symbol** will be used at several points along the course to indicate:
    - Start of the **Enduro section**
    - **Hazardous locations**
    - General **warnings**Please pay **special attention** to these signs!
- 

## End of Etap Rules

- The **final section** of the etap will be marked by a **STOP sign and an exclamation mark**.
  - From this point on, the **maximum speed is 25 km/h**, which will be **strictly enforced**.
  - The 25 km/h limit applies to:
    - **liaison sections**
    - the entire **paddock area**
    - and especially the **gravel road leading into the paddock**, which will be closely monitored.
- 

## Environmental Regulations

- An **oil collection point** has been designated – use of it is **mandatory**.
- **Waste must be disposed of in the designated containers only.**
- After the race, **all participants are required to leave their area clean and tidy.**
