Decision-No.: **17**

### PROTEST DECISION

The Stewards, having received a protest letter from Entrant/Competitor #Ebert Motorsport  
The protest is directed against the regulatory conformity of the side bumper of the Driver #822 (SIM-ON).

The Stewards summoned and heard Competitor's representative(s) accompanied by Mr. Ebert and Mr. Simon  
have considered the following matter, determine the following:

**Driver and car No:** #895 Strengé, Phil Colin  
**Entrant:** Ebert Motorsport  
**Time (fact):** 17:21  
**Session:** FINAL  
**Decision:** The protest is rejected as inadmissible (reason).  
The protest deposit expires.

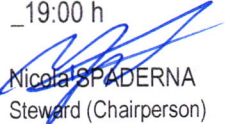

**Reason:** The protest leader protested against the measure of the side bumper. The scrutineer proved the measure on the right side, and this is in accordance with the regulation. The measure of the left side was not possible to prove, because the bumper was damaged. The scrutineer Mr. Ambrosius checked the left and the right-side of the bumper in the pre-grid and determined no abnormal position of the side bumper before the race started. The changed position of the left side bumper was obviously a result of a contact during the race. The damaged side bumper caused no dangerous situation, so the race director did show the technical flag. Due to fact that side bumper was in conformity with the regulations in the pre-grid before the race, the stewards decide that the inconformity of the right-side bumper was the result of a race incident.

The Race Director was heard and consulted. The technical report is attached to the decision.

The Competitor is reminded that he has the right to appeal certain decisions of the Stewards, in accordance with article 15 of the FIA Int. Sporting Code and art. 28 DMSB General Event Regulations, within the applicable time limits.
