The Stewards have received a report from the Clerk of the Course stating that the competitor car no. 54 drove on the opposite direction in the special stage 11/14 during reconnaissance, they have considered the following matter and determine the following:

**Fact:** The crew of car No 54 drove in SS 11/14 in the opposite direction during reconnaissance.

**Offence:** Breach of article 35.4.3 of the 2023 FIA Regional Rally Sporting Regulations.

**Decision:** To impose a fine of 250 €

In accordance with Article 12.8 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period the fine remains unpaid.

**Reason:** According to the FIA Regional Rally Sporting Regulations the crews are only permitted to enter and leave special stages through the start and finish controls.

Stewards considered that with this action the competitor did not get any advantage. Although this behaviour may be considered as a safety issue, the Stewards did not penalise this infringement as they should normally have done. They considered that during reconnaissance, the SSs are public roads open to two ways traffic, but they also decided that this action should be penalised.

The decision is based on the FIA International Sporting Code Art. 11.9.1, Art. 11.9.3.f and 12.4.1.c.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable limits.
