Subject: STEWARDS DECISION No: 5

Time 1:30 hrs
Document No 2.08

From: The Stewards

To: All Competitor/Crew Members

The Stewards received a report from the Clerk of the Course (document No 3.12), indicating that:

"In those regularity sections in which the distances are indicated with a single specific decimal, it is understood, as has occurred in the rest of the cases throughout the test, that the change in average must be located at a distance of plus or minus 100 meters with respect to the measurement indicated in the corresponding vignette and not at 693 meters, as has actually occurred in this case.

This anomalous difference has led to numerous different interpretations among participants, resulting in a divergent result".

For this reason, the Stewards have considered the matter extensively and decide, on the application of Art. 11.9.3.b ISC, to cancel RS9 in order to make the final results equitable and fair for all the competitors.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits (both documents can be found at <https://www.fia.com>).

The Stewards

Paolo Longoni
