March 14, 2023

To: All Competitors & Crew

Subject: Service Area Changes

The Service Areas will now open at 8:00 am on Friday and 7 am on Saturday to accommodate those who've purchased catered meals.

Service area assignments have been made and are posted under the Service Tab in Sportity. Note that the areas in the SE corner of the Commons on Saturday are not being used. As always, these may be modified on rally day.

Service Routes this year will utilize Avenza maps. Service crew should download the free app. Directions for its use will be provided in the service packet. Paper maps will be available from the Service Coordinator, if needed.

Note that Dent County roads 5550 and 5580 should never be used by any team.

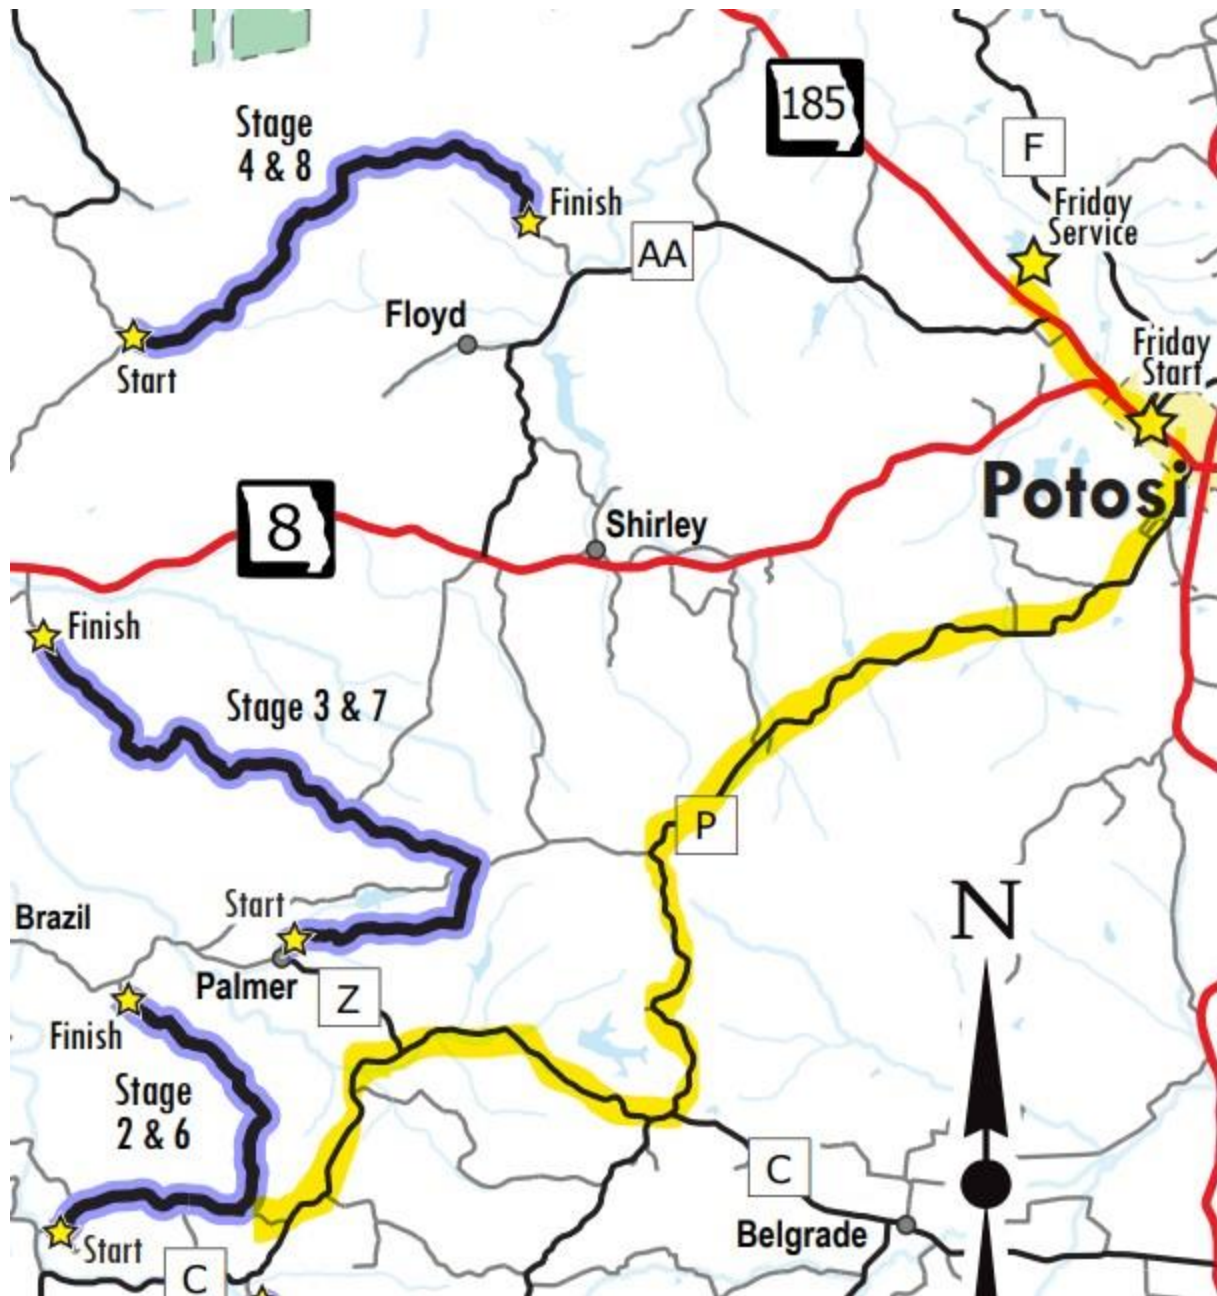

Official service crew spectator points are:

Stages 2 or 6 (see maps attached)

Stage 10, 11, 13 (see maps attached)

Service Crew found on stage in areas besides these, other than to retrieve a competition car, will be considered an illegal service violation under RCR 7.1.10
