Subject: Ken Block memorial tribute LOCATION CHANGE

Due to the predicted rain, the location of this has changed to the Dent County Commons. It is still Thursday, March 16th at 8:30-9:30pm.

Join 43 Institute a Ken Block Foundation, 100AW attendees, American Rally Association, Subaru of America, and Hoonigan as ARA officially retire #43 in honor of Ken Block. Join us to get the tears out and share great stories before the racing begins. The 100AW was Ken's most dominated rally with 7 wins, so beginning the "Flat Out 43ver Tribute Tour" here in his memory is the perfect choice. For more information [43i.org](http://43i.org)
