Dear All.

I remind you that starting tomorrow all athletes will be able to *train for free* at the Ice Rink Pinè at the times shown in the attachment "SpeedSkating-Time-Schedule"

On Friday 12th and Saturday 13th training will be free and without division into the two groups shown in the attached list (Group A and B).

On Sunday 14th we will begin to use the track with this division even if, given the arrival of many athletes in the early afternoon, we will not be rigorous in applying the grouping

On Monday 15th and Wednesday 17th we ask you to strictly respect the indicated subdivisions.

I apologize to you if you have not yet found on website/mail/App the SpeedSkating Info Sheet, which will be published tomorrow ... in recent days our entire specialty team has been really busy with the numerous and important tasks connected to the moving of the race from Lake Palù in Chiesa in Valmalenco. To date, however, we have defined the program of the days as per the attached Time Schedule on which we will update you in the presence of any changes.

Thanks for your attention and understanding.

Best Regards
