Dear Skaters and Coach.

As requested by some of you, we have activated an agreement for ***the bike rental service***.

Unfortunately the Rent Shop in Baselga di Pinè is closed in winter, but we have agreed to carry out the service with a professional Team from Trento who will be able to provide us with the bikes directly in Baselga.

ask you to communicate your interest in the service to this email **by Thursday 11 January** in order to define the most convenient methods and pricing possible.

Thanks in advance for your attention.

Best Regards
