

BOONE FOREST RALLY
24-25 July 2026

DECISION 1

From: The Steward Mark Williams

Date: 21 July 2026

To: All Competitors, Event Officials, ARA Registration

Time: 12:02 EDT

The Steward, having been forwarded an entry update form submitted to the Registrar via Sportity for a change to the entered co-driver for Car No. 694, has considered the matter and determines the following:

Time: The entry update form was received at 19:45 on 20 July 2026

Session: The period after the close of Registration (23:59 on 17 July 2026 and prior to the scheduled first meeting of the Stewards (20:00 on 24 July 2026)

Facts: Following the close of entries, Tyler Witte, the entered driver of Car No. 694, submitted a request to amend the co-driver designation. He advised that the originally registered co-driver was involved in a bad crash last weekend at Rally Colorado and, because of this, is unable to compete the Boone Forest Rally. Accordingly, he requests to have Cray Dumeah be entered as the substitute co-driver.

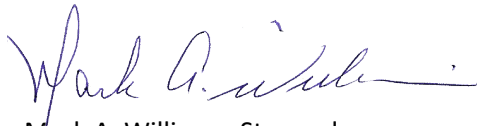

Rules: GCR 4.11 and 4.15 governing entries and GCR 6.2.3.I empowering Stewards to authorize a change in crew.

Decision: The Organizers are authorized to amend the entry for Car No. 694 by replacing the originally entered co-driver with the nominated substitute, Cray Dumeah, provided that Mr. Dumeah satisfies all applicable licensing and co-driver eligibility requirements.

Reasons:

- GCR 4.11.a and 4.15 allows change of entry after the close of entries and prior to the first Stewards Meeting for reasons of hardship or Force Majeure.
- The Steward has determined that the circumstance of a late injury to the originally entered co-driver meets the threshold for hardship and that approving the requested change does not confer an unfair sporting advantage nor prejudice the orderly conduct of the event.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9 of the ARA General Competition Rules.
