The Stewards, having received a report from the FIA Eligibility Delegate, summoned and heard the drivers (summons No 4.1), have considered the following matter, determine the following:

Fact: The competitor could not present the original FIA Historic Technical Passport (HTP) during the pre-event scrutineering.

Offence: Breach of FIA European Historic Rally Championship Regulations Art. 1 and Art. 31.1.3

Decision: A fine of 250 €

In accordance with Article 12.8 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail Suspension during the period a fine remains unpaid.

Reason: The competitor was informed accordingly by the Stewards and was given the possibility, if he wished, to bring forward any representations other than having forgotten to bring the original HTP. Mr. Graham (driver) accepts that the original HTP should be presented. He applied for a new HTP, however, the process to get it has taken longer than expected, He also explains that he thought that an electronic HTP, as send by email to him, was enough. He regrets not having complied with the regulations.

A valid FIA Historic Technical Passport («HTP») must be provided by the Competitor for each car entered, at pre-event scrutineering and the entry form for a rally must be accompanied by a photocopy of the first page of this HTP.

The decision is based on the FIA International Sporting Code Art. 11.9.1, art.11.9.2.a, Art. 11.9.3.a, Art. 11.9.3.f and Art 12.4.1.c.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
