5 – Reservation of a place in the Champions League for the winner of International multistage competitions

In the case of International multistage competitions with the participation of teams of at least 3 nations and with at least 3 stages, a place is reserved for the winner of that competitions in each category for the next Champions League. If the winner of the International multistage competitions is also the winner of its National Championship, then the place for the Champions League will be entitled to the team that is classified at the 2nd place of the international multistage competition.

6 – Registration procedure of the teams participating to Champions League

According to the number of club teams allowed in a Champions League and defined by the Organizer and approved by the FIHB (normally from 4 to 8 teams depending of the category), the following procedure will be used to accept the registration of the teams:

1. If there are places reserved for the winner of the International multistage events, then the relevant teams will be invited and if they can't participate, they will lose the possibility to participate the Champions League;
2. Starting from the first Nation of the ranking, the first classified club team of that Nation will be invited and if the first team can't participate, the second classified is then able to participate;
3. The step 2 is then repeated for all the subsequent Nations of the ranking until the maximum number of teams is reached;
4. If the number of registered teams is less than the maximum number of teams then on starts again from the first Nation of the ranking, the second classified club team of that Nation will be invited and if the second team can't participate (or it's just registered), the third classified is then able to participate;
5. The step 4 is then repeated for all the subsequent Nations of the ranking until the maximum number of teams is reached;
6. If the number of registered teams is less than the maximum number of teams then on starts again from the first Nation of the ranking, the third classified club team of that Nation will be invited and if the third team can't participate (or it's just registered), the fourth classified is then able to participate;
7. The step 6 is then repeated for all the subsequent Nations of the ranking until the maximum number of teams is reached;
8. If the number of registered teams is less than the maximum number of teams then on starts again from the first Nation of the ranking, the fourth classified club team of that Nation will be invited and if the fourth team can't participate (or it's just registered), the fifth classified is then able to participate;
9. The step 8 is then repeated for all the subsequent Nations of the ranking until the maximum number of teams is reached;
10. If the number of registered teams is less than the maximum number of teams then club team of Nations not listed in the ranking are able to participate.

Notes:

- in the case where the hosting country of the Champions League doesn't have a place into the competition then a place into the competition can be reserved.
- in case of no payment of the 30% of the inscription fee within the deadline for a club team registered in the FIHB Champions League, FIHB has the right to invite the next club team in the priority list.

7 – Club team composition

The composition of a club team participating to the FIHB Champions League in the Under16, Ladies or Pro Elite category has to be compliant to the following rules:

- In case of a club team of up to 6 players, minimum 4 players must be players registered to that club team for the calendar year;
- In case of a club team of up to 7 players, minimum 5 players must be players registered to that club team for the calendar year;
- In case of a club team that has the right to participate but for some reason change the name and/or the address of the club team, then the new club team has the right to participate under the authorization on its National Federation or ONHB;
- Derogations to the above rules according to particular cases could be given with the approval of the ONBH or National Federation of the country involved;
- All the information related to the registration of the players to a particular club team for the calendar year will be delivered by the own National Federation or ONHB;
- The inscription of the club team will be carried out by the club team and validated by its National Federation or ONHB.

8 – Multistage International events

Multistage International events are competitions organized mainly among neighboring nations in order to develop international Horseball.

Those events can comprise different categories (i.e. Under16, Ladies, Pro Elite) with the same classification of competition that means same number of stars or also with different classification of competition (for example Under16, Ladies and Pro Elite with 3 stars and Club Ladies with 2 stars).

A competition method shall be proposed according to the number of registered teams and presented in the preliminary program specifying also the number of stages and for each stage, the number of days.

After the deadline for the team registration, a draw will be made and all the teams will be immediately informed about the final match schedule. All the matches will be played according to the final match schedule and no changes or postponing/anticipating of matches in other stages will be allowed.

In the case a team is not ready for the veterinary inspection or to start playing at the schedules time, it will be considered as forfeit (0 points, -8 goal average for the forfeiting team, +8 goal average for the opposing team). In addition, the forfeiting team shall reimburse the sum of 400€ each player of the opposing team independently if they informed or not the opposing team or the OC. Special cases will be evaluated by the Disciplinary Commission: sanctions up to 2 years ban from the competitions could be applied for the participants (players, coaches, clubs).

9 – Competition method for European Championships with 6 teams

In the European Championships where 6 teams are divided in 2 groups and they play all against all for the first 3 days then the next 2 days there is the cross between 1st and 2nd of the 2 groups, the teams will be grouped by means of a full draw without head of series.
