

VISIT CONWY

CAMBRIAN

29 OCT RALLY 2022

RALLY GUIDE 2

FINAL
INSTRUCTIONS

28/29.10.22

Organisers Welcome

Croeso/Welcome to the 2022 and 67th Visit Conwy Cambrian Rally organised by the North Wales Car Club.

We are privileged to have the continued support of Conwy Borough County Council who are keen supporters of motorsport within Wales and we are also indebted to Llandudno Town Council for their continued support.

The ceremonial start, is at Llanrwst along with a pre-start holding area at Glasdir Road Car Park, and the finish will be embracing Llandudno town centre and will take place on the picturesque promenade. We are once again offering secure overnight parking for your competition car and small support vehicles in the Victoria Centre Car Park. Trailers are to be parked in at Dale Road Car park. Please unload your car there and park your trailer tidily and secure it. The event cannot accept liability for any trailers left at the location.

Please ensure you read, and make your service personnel aware of, the process for visiting Noise, Scrutineering and gaining access to the Service Park – No pass, No entry, No exceptions!

We would also like to extend our most grateful thanks to you, the competitor, for entering our event. We are really looking forward to welcoming you to Llandudno for the 2022 Visit Conwy Cambrian Rally.

The Organisers.

2. Environmental

2.1 Environmental Sustainability

As part of our commitment to minimise the environmental impact, the Visit Conwy Cambrian Rally's aim is to actively continue to make our event more sustainable, working both internally, and with external partners, to ensure our event impacts on the environment as little as possible.

This is, and will be, an ongoing process and includes every aspect of the event; provisions on special stages, in the Service Park and within our general administration tasks, including those within Rally HQ. The specific aims for the 2022 Visit Conwy Cambrian Rally are as follows:

- Become a paperless event as far as practicable by introducing a Digital Noticeboard.
- Introduce hybrid and/or EV vehicles to the Official Course Car team where available.
- Minimise impact on ground and water contamination within the Service Park
- Encourage waste reduction and separation by providing recycling bins within the Service Park and Rally HQ and to provide waste bags in Spectator Areas to encourage visitors to take their rubbish home.
- Reduce the level of vehicular movement within the event as much as possible.
- Encourage competitors to make use of the specific Motorsport Carbon Offset scheme available through Carbon Positive Motorsport.

Our full Environmental Policy is available on www.cambrianrally.co.uk
