The Stewards have received a report from the Chief Scrutineer concerning Car No 74 (Mohamed Mousa). The competitor was requested to attend a hearing by the Stewards but was unavailable, having already left the event venue.

Facts: Car No 74 was found to be 11 kg below the required PF racing weight.

Offence: Breach of FIA Appendix J – Article 258-1 PF Racing Weight.

Decision: Disqualified from Round 2 of the Saudi Toyota Time Attack Championship.

Following the competition, car No 74 underwent a post race weight check and was recorded at 11 kg below the declared PF racing weight. The competitor was requested to attend a hearing but had already left the event venue and was therefore unavailable. The Stewards considered the Chief Scrutineer's report and the available technical evidence. As compliance with the required racing weight is mandatory, the Stewards determined that car No 74 was not in compliance with the applicable technical regulations and therefore imposed disqualification from Round 2.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules, within the applicable time limit.
