

Bulletin 2026-2
2026 ARA Specified Fuel for National O4WD and RC2
1/13/2026

These additions will be effective for the 2026 Championship Season.

Specified Fuel for 2026

The specified fuel per the ARA Rally Technical Rules 2.2.8.i for 2026 will be the FIA Homologated R5.1 fuel supplied by VP. Fuel can be purchased directly from VP and will be available for testing and tuning. VP has guaranteed the fuel will be available to all teams in adequate supply for the 2026 season. Orders for testing and tuning must be made by contacting VP directly and will take approximately two weeks to receive.

The specified fuel will be available for pre-purchase prior to every National event and delivered on location.

Information about the fuel can be found here: <https://vpracingfuels.com/product/vp-r-5-1/>
