Topic: Updated Event Itinerary & Schedule

The event itinerary has been updated to reflect transit time changes and an error SS3 and SS4. Please review the itinerary below. Transit times were adjusted by actual time to do the transit and calculated transits. Transits were given extra time than done in actual time and calculated.

The event schedule has been updated to correct some incorrect information and competitor check in time has changed on Wednesday September 10th. Parc Expose will be at Camp Verde Town Park both days of the event. Please check into Parc Expose at the time listed in the event schedule.
