Jack Pad Requirement

All vehicles jacked up in service must have solid jack pads under each supports/stands.

Service Parking Pass

Each team will receive 2 service parking passes. In order to be allowed in the service area vehicle must have this pass displayed on the top of the windshield on the driver side of the vehicle. Any additional vehicles must be parked in the overflow section. Trailers may also be parked in the overflow section. Competitor cars and trailers are not required to display a parking pass. An Recreational Vehicle (RV) or Travel Trailer is required to have a parking pass.

All vehicles must fit within your service spot.

Scrutineering Information

Scrutineering will be done in the same area as service. Teams schedule their time with the Chief of Scrutineering. Do not block the lanes or holding area with trailers.
