

## Bulletin 3

September 4, 2025

### Topic: Camp Verde Super Special Stage Supplemental Regulations

The following information is applied to the running of the Super Special Stages (SS 11 & 12) in Camp Verde. The location of the stages will be at the Camp Verde Equestrian Center and is also routed in the Official Route Book.

#### Operation of stage

- Competitors are going to run the stage in current running order at the end of stage 10.
- The stage will be run with the same 2 minute interval already in place.
- The SSS is treated like any other stage and will operate the same.
- Once the stage has completed competitors will use the service road next to the stage area. Watch for pedestrians. **The speed limit in the arena area is 15mph.**

#### Track Information

##### Definition and Recce

- The track definition will be defined with chalk lines and cones.
- Competitors will be allowed to walk to the course on Thursday September 11th between 16:00 and 17:00. Recce of the course will be allowed between 17:00 and 18:30. All cars must be off course at 18:30. All recce rules will apply as written in the supplemental regulations. Speed limit in the arena during recce is 20mph.

##### Rules and Penalties

- Cutting is defined as 4 wheels off on the inside of the defined stage. Cutting will result in a penalty of 3 minutes defined in RCR 6.2
- Did not finish (DNF) - If a competitor is unable to finish a Super Special Stage, pull completely off the course if you can. Please activate your hazard light if able to do so. You will receive a DNF for the stage.
