STEWARD DECISION 1

From: The Event Steward

Date: 10 September 2025

To: The Event Organizers and crew of Car 63

Time: 10:30

The Event Steward, having been alerted by the ARA Registrar Marni Nagy of an inquiry submitted by the entered driver of car 63, Peter Dozeman, has considered and determined the following:

Driver and car No: Peter Dozeman, Car 63

Time (fact): Initial request submitted online at 8 September 2025 at 19:40.

Session: The period after the published close of Registration (7 September 2025 at 23:59) and prior to the posting of the final start order.

Fact: The driver submitted a request to change cars on 8 September 2025 at 19:40. Upon further exchange of emails on 9 and 10 September 2025, it was clarified that the car they originally entered - a 2014 Ford Fiesta - was not available, so they replaced it with a rented car - a 2003 Ford Focus. The replacement car is in the same class as the original car, L2WD.

Rules: GCR 4.11.a, 4.15, and 6.2.3.o governing requests for changes after the close of entries.

Decision: The organizers are authorized to change the entered car to a 2003 Ford Focus. The replacement car must meet the general requirements for competition as well as the requirements for the L2WD class.

Reason: The driver was in the process of purchasing the car but the seller backed out at the last minute. The driver obtained a replacement car to compete in the same class. The Steward considers this situation to meet the definition of a hardship under GCR 4.11.a.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9 of the ARA General Competition Rules.
