

Bulletin: Recce times and stage availability stated below

10am-11am Recce of forward stages (Red and Blue)

Stages start in the pan handle. Go all the way through pan handle, exit into pond loop, over the jump and into the woods. Once you are in the woods there are two main intersections. As you exit the woods there is an immediate intersection.

All are marked by **Red** and **Blue** arrows.

Red- Right at 1st intersection, Straight over 2nd intersection, Straight over 3rd intersection. **Blue**- Left at 1st interaction, right at 2nd intersection, right at 3rd intersection. **Finish** is in the infield at the entrance of Figure 8

11:30am-12:30pm Recce of reverse stages (Green and Orange)

Green is reverse of Blue

Orange is Reverse of Red

Stages start in infield and quickly split after the jump. Then they rejoin into the woods. There is an intersection immediately after Kubo's Crest just after starting. There are 3 more intersections in the woods marked by **Green** and **Orange**

arrows. Exit the woods and over the big jump, through pond loop and enter pan handle reverse. Go through pan handle and the finish is at the end of pan handle

Green- Immediately after jump, keep left on infield into a hairpin right around the teardrop. Continue straight off of the infield towards the woods. Square left into the woods. Keep left at the first intersection shortly after joining the

woods.

Square left at the next marked T interaction into the corkscrew.

Stay straight past the next intersection, Marked with Tecpro Barriers.

Square right to rejoin with Orange

Follow all the way through pond loop, into the pan handle.

Orange- Turn right at the intersection immediately after Kubo's Crest and into the woods. Turn Right at the next intersection.

Stay straight over the interaction into the corkscrew

Turn left on the long straight after the corkscrew, marked by arrows and

TecPro Barriers. Stay straight to rejoin with green

Follow all the way through pond loop, into the pan handle.

Finish- Finish is marked at the end of pan handle.
