

**List of cars to be submitted to extrication
exercises during the season of 2023**

- These exercises will be carried out under the supervision of the Medical Delegate. Teams must ensure that the car are ready and cleaned at designed time.
- They will take place in each competitor's allocated garage on the date and time set below, timing to be confirm by SPORTITY.
- If any of the above teams are not present at the relevant event, another team (*) will be chosen and duly informed.
- Teams must do their best endeavours to provide all necessary conditions and cooperate with the medical exercise. Only one team member is required to assist, to clean the car before and after the exercise.

DATE	ROUND	DRIVER	TEAM
May 5	SPA	#18	CAMPOS
	MOTORLAND		
June 24	NAVARRA	#26	CARLIN
September 23	JEREZ	#4	SAINTELOC
September 30	ESTORIL	#9	DRIVEX
October 14	VALENCIA	#6	TECNICAR
November 11	BARCELONA	#12	MONLAU

- If the driver concerned is not present, it is highly recommended that the team makes available a mechanic, fully equipped preferably with the same body size as the car driver. Helmet and HANS are mandatory.
- Any new team arriving at the series can be invited to undergo the extrication exercise on its first presence at a race meeting
