Drivers may enter the fast lane of the pit lane 2 minutes before the start of each session provided that race control authorize it and it is indicated on the TV monitors with the message "Fast lane open". If this message is not sent, no driver will be allowed to go to the fast lane. (Art. 19.10 FWS Sporting Regulations)

This will apply for all sessions (collective test, previous test, qualifyings and races) except before the re-start of a session stopped by a red flag, then it will not be allowed to go to the fast lane for safety reasons.
