

Solo Dance Seminar – Egna 2026

For Skaters, Coaches and Officials

Date: 12 April 2026

Location: Egna (Italy)

1. General Information

We are pleased to announce a Solo Dance Seminar open to skaters, coaches, judges and technical officials.

The aim of the seminar is to provide an in-depth understanding of the new season regulations, combining theoretical knowledge with practical on-ice sessions.

The seminar will focus on the latest updates in Solo Dance, helping participants better understand requirements, evaluation criteria and technical aspects for the upcoming season.

The seminar will be conducted by International Solo Ice Dance Working Group Co-Chairs Kristen Fraser and Neil Brown, with on-ice sessions supported by Olympic-level ice dance coaches Matteo Zanni and Luca Lanotte.

2. Structure of the Seminar

The seminar will include:

- Two on-ice practical sessions
- demonstration and analysis of key elements
- application of new rules in real skating situations
- One theoretical session
- detailed explanation of new season regulations
- updates on technical requirements and levels
- GOE and Program Components discussion
- Q&A with participants

3. Topics Covered

- New season ISU regulations for Solo Dance
- Technical elements and level features
- GOE criteria and common mistakes
- Program Components evaluation
- Practical examples and video analysis

4. Participants

The seminar is open to:

- Skaters

- Coaches
- Judges
- Technical Specialists and Controllers
- Other skating professionals interested in Solo Dance

5. Language

The seminar will be conducted in English.

6. Registration
