

RALLY GUIDE

Welcome to the 2026 Sno*Drift Rally! There are a few changes this year, and this guide is designed to help plan for the weekend before final routes are announced. As was announced earlier, we will not be running the Bonfire Alley stage this year, however there are still multiple spectating opportunities on Friday and Saturday. The spectator guide with more details will be available in late January,

As in years past, our event will be centered around Atlanta and Lewiston. These communities allow us to use their towns and roads for the weekend, and rely on our support in return to get through the long winter months. Whether you need hotel rooms, food, drinks, gas, car parts, or souvenirs, try to get them there!

SCHEDULE
