

Sno*Drift, February 6-7

Information from the Stewards

From: The Stewards

Date: 2/23/2026

To: All National Crews

The steward panels have completed their deliberations of the protests by cars 35, 407, 367, 157, and 769.

The 5 steward decisions will be posted immediately following this notice.

Because of the unusual situation of having so many protests for a single event, I have decided to post all the decisions together with a single Appeal window of 24 hours to notify the Sr. Steward, Alan Perry, of your intent to appeal. The GCRs dictate that the appeal window is 30 minutes following the posting of the steward's decision, but given the circumstances and the likelihood that it may be several hours before everyone sees and reads all of the steward decisions; I have decided to extend that window.

The window for notification of intent to appeal will close at 2230 Eastern Standard time tomorrow, Tuesday February 24, 2026.

The revised National Provisional Results, Power Stage Results, and Penalty Report will all be posted as well.

There is no provision for inquires or protests based on the results of these steward decisions ONLY appeals of the steward decisions themselves.

Questions about this statement can be directed to me in writing at jbniday@ara-rally.com and appeals must be directed to Alan Perry aperry@snowmoose.com .

Thank you for your patience.

A handwritten signature in black ink that reads 'JBNiday' with a stylized flourish at the end.

J.B. Niday, ARA Chief Steward
