## 16. INSURANCE (changes in red)

**16.1** The Organiser, as holder of a sports licence, complies with current sports regulations and, to this end, declares that it has taken out insurance in accordance with Article 56 of the RSN with **Generali Assicurazioni Spa - Policy 029990361/09.05.2025.**

The aforementioned Insurance Policy exclusively covers damage caused to third parties or third-party property by the Organiser or entered drivers during the Race and on the relevant route. For this purpose, "Race" means the route between two Time Controls, as identified in the Road Book or in the Bulletins. During the Race, any damage suffered by Drivers, ~~Co-Drivers~~ or vehicles entered for the Race will not be covered by the insurance. Damage caused to the participants themselves and to the vehicles they use is therefore excluded.

This civil liability insurance policy does not relieve Competitors and Drivers of any liability they may incur outside the scope of the insurance and additional general and special policy conditions as published on the federal website. All entered vehicles must have motor vehicle liability insurance.

### 16.3 Insurance Coverage

The maximum amount covered by the Insurance Policy is € 10,330,000.00 for each claim for damages caused to people and/or things.
