

Bulletin 1

1300 hrs

10 September 2022

Changes to the event Itinerary.

As a result of holdups due to technical issues the service time will be reduced to 30 minutes. This means that time allowed between TC 3 and TC 3A will be reduced to 60 minutes. There will be no time in regroup. This is to facilitate the running of all the stages in the daylight conditions expected by crews.

Change to route.

The start of SS 5 has been relocated. The Time control will be at tulip 28 page 38 and the start will be at Tulip 11 page 43. The time allowed will be reduced to 30 minutes.
