Reason:

The Stewards, following a verbal report from the Clerk of the Course, investigated whether the documents presented by the Competitor Car No 8 at the time of the administrative checks complied with the regulations.

During the investigation, the Competitor/Driver was given the opportunity to provide explanations.

During the hearing, the driver explained that the sports car belongs to his company. He provided all the information concerning the car requested by the Stewards (the documents proving the purchase of the car, as well as the temporary number plates issued in Spain). The investigation also revealed that the Organiser had obtained the appropriate authorisation from the local authorities to allow all Competitors taking part in the rally to use the public roads, in accordance with the itinerary of the event.

In the light of the findings of the investigation, the stewards decide to close the investigation without taking any further action.

The decision is based on the FIA 2024 International Sporting Code Art. 11.9.1, Art.11.9.2.a
