The Stewards, having received a report from the Technical Delegate (Doc No 6.4), summoned and heard the Co-Driver (Summons No 02), having considered the following matter, determine the following:

Fact: The Competitor Car No 24 did not stop in the Tyre marking zone after RZ1. The car went to the stages without marked tyres.

Offence: Breach of Art. 13.8 of the FIA 2024 RRSR, Art. 7.4 of the Supplementary regulations.

Decision:

To impose a 10-minute time penalty on the Leg 1 on the Competitor Car No 24

Reason:

The co-driver explained during the hearing that it was a crew mistake. They spent a lot of time (10 minutes) in the refueling area. And then, because of their mistake, they did not notice the marshals in the tyre marking area.

"...The crew has to stop its car and wait for the instructions of the scrutineers and/or marshal. In the absence of scrutineers or marshals, the crew may leave the zone without stopping..." (Art. 13.8 of the FIA 2024 RRSR)

According to the explanation of the Technical delegate, there were 5-6 scrutineers/marshals in the tyre marking zone at the time.

The crew obviously had to stop.

The Stewards decide that in this case the Competitor Car No 24 violated the regulations.

In deciding on the penalty to be imposed, it must be taken into account that tyre marking ensures fair and equal competition between all the crews. A time penalty should therefore be imposed.

The decision is based on the FIA 2024 International Sporting Code Art. 11.9.1, Art.11.9.2.a, Art. 11.9.3.a, Art.12.4.1.h

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2023 FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
