The Stewards received a report from the Clerk of the Course (Doc no 3.7) have considered the following matter and determine the following:

Facts: The above mentioned crew after changing a wheel in SS5, left it behind with the controllers at the start of the stage.

Offence: Alleged breach Art.13.12 of the 2023 FIA Regional Rally Sporting Regulations.

Decision: **REPRIMAND**

Reason: The crew explained that they had a puncture in the stage and they changed the wheel and put the wheel back in the car. After finishing the stage they realised there was a leakage of fuel and for safety reasons decided to leave the punctured wheel behind as it was hot and there was fuel residue inside the car.
