### THE BEST RESULT OF HARD WORK IS A SMOOTH AND SAFE RALLY.

One of the biggest challenges for the organizer is the selection and preparation of Special Stages, well-planned preparations and a smooth event. As an organizer, I always try to make the format of each rally different, more interesting, more attractive for both athletes and spectators.

„Samsonas Rally Utena 2022“, organized in a new location this year, has new challenges. However, they only strengthen the desire and motivation to put a lot of effort to make Utena and its region a centre of attraction for the rally community.

I am happy to have a loyal team full of enthusiasm and ideas, with whom we will improve ourselves and improve the event with one common goal - the rally.

As every year, together with the whole team we will pay great attention to safety, because it is safety that is most important in the rally. We will also promote fair competition among athletes. And the entertainment part of the event will allow residents and guests of Utena city to enjoy not only the spectacular views at Special Stages, but also to have a good time with rich entertainment in the city of Utena.

## WELCOME SPEECH OF MARTYNAS SAMSONAS

### Dear rally friends

The year 2022 has become a year when our dream to bring Samsonas Rally's name back to our hometown Utena comes true.

Company „Samsonas Motorsport“ is celebrating its 25th anniversary this year, although our path in automobile sport has started in 1974 when the founder of company Vytautas Samsonas of bright memory started constructing sports cars and competing in autosport while studying in Vilnius.

Name of „Samsonas Motorsport“ occurred in rally organising in 2015 when all the team of the company with a help of my father Vytautas Samsonas and local motorsport club „Mgear“ organized our first Lithuanian Rally Championship event called „Samsonas Motorsport Rally Utena“. Since then, we take a part in organizing events yearly.

We have been involved in organising rally events in Lithuanian cities of Zarasai, Rokiškis and abroad like event in Ireland “Samsonas Rally Fivemiletown” in cooperation with “Omagh Motor Club” for the last 4 years.

While being a part of other rally events we always had a dream to bring rally back to Utena. And this year with a help of the ASC “Akseleratorius” team this event will become the biggest 3-day rally competition in Lithuania for all current and

future rally fans. “Samsonas Rally Utena will be the final round of Lithuanian Automobile Rally, Lithuanian Automobile Rally Sprint and Latvian Automobile Rally Championships.

We are planning a competition with a night city stages, a total length of 125 km of Special Stages with approximately 75 jumps. Spectator areas where fans will have a possibility to watch the event safely and comfortably as well as a final concert of Donatas Montvydas are also planned.

I really hope to fulfil and exceed all your expectations for this event therefore I kindly invite all to visit the event and support your favourite local sportsmen as well as sportsmen from abroad.

Once again, I would like to thank the Administration of Utena district municipality and all the residents of who has supported organisation of this event.

On behalf of all the Organising Committee I kindly ask all of you to be careful and understanding in Special Stages, respectful and to take care of each other.

I wish you a joyful and safe event.

Director of the “Samsonas Motorsport” company

*Martynas Samsonas*
