SHOW-ME RALLY 2026

Service Park - Spot Layout, with car assignment (30 cars: 28 in the service park, 691 and 828 on their campsites - page 2)

Twin Eagle Lake, 10000 Twin Eagle Lake Trail, Potosi MO 63664 - service Saturday 7 Nov 2026 - prepared for the Service Coordinator - 5 Nov 2026

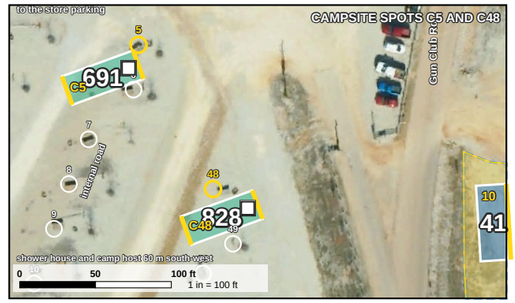

LEGEND

- Spots 1 and 2: 50 x 50 ft on the Gun Club Rd fence, drive in from the W lane; yellow edge = open side of a spot
- Lower-lot spot 20 x 50: 3-9 on the fence, 10 and 18 north-south, 11-17 the middle column, 19-20 along the Woodmill berm
- Upper-lot spot 20 x 50: 21-27 parallel to the pool building, stepping south-east, nose in from W; 28 along Woodmill Rd
- Box at the right end of a spot: tick when the crew has its service routes packet
- Gravel: W lane 30 ft; 30 ft of gravel south of 1 and 11 (measured); entrance 13 ft beside 10; 15 ft from 18 to the berm (measured)
- Area 1 boundary (lower lot, gravel)
- Area 2 boundary (upper lot, gravel)
- Campsite service spots C5 and C48 (cars 691 and 828) on campground pads - detail at right, page 2
- Pool-complex buildings, traced from the 2024 imagery

Big number = car; small yellow number at the left end = spot; coloured outline = group kept together (see table).

- Group 1: cars 132, 243 - spots 1-2
- Group 2: cars 444, 48, 154, 18 - spots 3-6
- Group 3: cars 74, 762 - spots 15-16
- Group 4: cars 72, 258, 791, 909 - spots 11-14

Camping, with a service spot on the campsite (page 2): 691 Hathaway / Jackson - site 5, spot C5; 828 George / Stieber - site 48, spot C48.

Detail at 1 in = 100 ft (the whole site is on page 2). 691 (C5) is on campground site 5, the first pad on the right coming south from the store parking; 828 (C48) on site 48, the first pad on the left, its west end at the internal road. White numbers = campground sites at their picnic tables (about +/- 5 m). The yellow strip at the right edge is the north tip of the lower lot.

SHOW-ME RALLY 2026

Service park overview - controls, gates and all spots (page 2 of 2)

Twin Eagle Lake, 10000 Twin Eagle Lake Trail, Potosi MO - service Saturday 7 Nov 2026 - 1 in = 100 ft (1:1200) - 5 Nov 2026

- Rally control: RGC In, RGC Out, Service Out (Service Coordinator annotation, 4 Nov 2026)
- Refuel bays 1 and 2 (as annotated; bay 1 nearer the road)
- Gate closed - no entry into the service area at the lower lot SW corner
- Roads: Gun Club Rd and Woodmill Rd (into the lots)
- Spots 1 and 2 (50 x 50 ft); yellow edge = open side of a spot
- Lower-lot spots 3-20 (coloured outline = group kept together, see page 1)
- Upper-lot spots 21-28 (21-27 parallel to the pool building, 28 along Woodmill Rd)
- Campsite spots C5 and C48 (cars 691 and 828) on campground sites 5 and 48
- Traffic lanes in the service park
- Area 1 boundary (lower lot, gravel); big number = car, small yellow = spot
- Area 2 boundary (upper lot, gravel)
- Pool-complex buildings, traced from the 2024 imagery

CONTROLS AND GATES

RGC In: on Gun Club Rd beside the second cabin south of the stone wall.
RGC Out: on the west edge of Gun Club Rd at the stone wall end, 57 m north of RGC In (the schematic calls it RGC Out / Service In). From there the cars reach the lots by Gun Club Rd and Woodmill Rd.
Service Out: in the campground lot west of Gun Club Rd, 22 m west of the road. Refuel: two bays 16 m south of Service Out, turned 30 degrees, bay 1 nearer the road.
Closed gate: along the east edge of Gun Club Rd across the lower lot south-west corner opening - no entry into the service area from the road there.
No flow arrows are drawn.
