2026 Show-Me Rally Supplementary Regulations

1 INTRODUCTION

It's time for Show-Me Rally! On behalf of the organizing committee, we want to thank you for choosing this event. We hope to make it a great one for everyone. We can't do this without the support of our volunteers, so be sure to thank them whenever you see them. This event takes place in Washington County, Missouri, and it would mean a lot to us, and them, if you could support them whenever you can. Whether you need hotel rooms, food, drinks, gas, car parts, or souvenirs, try to get them in the Potosi area.

We have many property owners along the stages, most of whom appreciate the show that the competitors put on as they race by, but do remember to be sensible and safe when the roads are open to everyone and while traveling around the area. Follow the speed limits, don't drive recklessly, and follow the rules presented here in the Supps and any additional materials you may get from us. Most rally attendees are visitors to the area so do your best to be courteous and respectful to our hosts.

2 DESCRIPTION & ORGANIZATION

2.1 This event will be held under the current American Rally Association (ARA) Rules. The rules and bulletins can be found at: https://www.americanrallyassociation.org/rulesandbulletins. The Show-Me Rally (SMR) will consist of one day of competition and is part of the ARA Central Regional Series.

2.1.1 A route book will also be provided to each competitor, course notes will not be provided.

2.1.2 The route will be approximately 205 miles in length with approximately 61 miles of competitive stages. All competitive stages will be held on roads that consist primarily of gravel, and will vary somewhat in width and tightness. Roads vary from sweeping, well groomed roads to tight and twisty. There is a small stretch of one stage that finishes on pavement.

2.1.3 Any additional changes or additions to these Supplementary Regulations will be announced only by numbered and dated bulletins. The Organizers and/or the Stewards shall decide upon any conditions not foreseen in these regulations.

2.1.4 There will not be a physical notice board. The Official Notice Board can be accessed via the Sportity App using SHOWME2026 as the password. All official documents, bulletins, start orders, provisional results, inquiries and responses will use the Sportity App. https://webapp.sportity.com/channel/SHOWME2026

2.2 As has been seen over the past several years, Missouri weather patterns can best be described as capricious. The committee is prepared to conduct this event under any circumstances and will give the contestant competition regardless of weather conditions.
