Subject: **DECISION no. 1**

Doc. No.: 2.3

From: The Stewards

To: The organizer and to all competitors

Numbers of pages: 1

Attachments: 0

The Stewards, having received a report from the Clerk of the Course, have considered the following matter, determine the following:

Fact: Severe storm cell passed over rally route, damaging service park, liaison sections and special stages.

Decision: In application of the FIA International Sporting Code Art 11.9.3.r, the rally will be temporarily stopped after TC3A. The event will continue as per itinerary again on Saturday 13th July from TC5D, Service OUT. A Start List with Start Times for Section 3 will be published by the Clerk of the Course as per Supplementary Regulations.

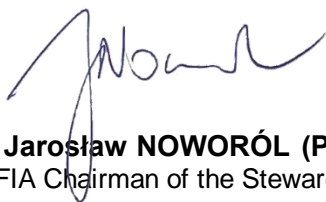

Competitors are not required to go to Park Ferme and are free to secure their cars and service equipment during the night at their discretion. All vehicles can remain at the Service Park with all their equipment or they can leave.

Reason: The storm and strong winds caused serious damage to vehicles, service park equipment and infrastructure needed for the rally to run correctly, including special stages and liaison sections.

The Stewards wish to highlight that the safety of all parties is a key priority, and based on this, the event will be stopped until Saturday morning.

The Stewards want to point out that under article 11.9.3.r of ISC, the Stewards have the power to stop the event based on safety reasons.

In application of Article 12.3.3.b of the FIA International Code, this decision becomes immediately binding even in the event of an appeal as it concerns a question of safety.
