The Stewards, having received a request from the WRC Promoter, have considered the following matter and determine the following:

**Request** To allow an on-board camera installation on Car No. 25 at the team´s service bay before the commencement of the flexi-service F on Friday 28th November 2025.

**Decision** Permission is granted under the following conditions:

- Car No. 25 is neutralised once it has been driven into the service bay.
- Camera installation work shall be observed by a Scrutineer.
- No other work/service is allowed on the car during the installation of the camera.
- After the completion of the camera installation, the car may remain under parc fermé conditions in the service bay.
- Once the team is ready to start the service, the start time at TC14B will be modified on the time card by an Official, and normal service may be started.

**Reason** For promotional reasons, the Stewards consider the WRC Promoter´s request acceptable.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2025 FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
