A) Amendments to the Supplementary Regulations of the Rally

3. PROGRAMME

3.2 Schedule during the rally

Saturday 29 November		
~~19:30~~	~~Final Podium – see Art. 12.21~~	~~Service Park~~

8. FUEL

8.4 Fuel for non-priority drivers (replace with the following)

Non-priority drivers may use either FIA fuel following the same conditions and rules as the priority drivers or commercially available pump fuel.

Due to the lack of suitable petrol stations along the route, non-priority drivers shall refuel at the Refuel Zones marked in the Itinerary.

Teams' service personnel are permitted to use their own fuel drums and pumps at the Refuel Zones. All personnel involved in refuelling operations must wear fire-resistant clothing that offers adequate protection. This includes, at a minimum: long trousers, a long-sleeved top, closed shoes, gloves, and a balaclava.

All non-priority competitors using pump fuel are reminded to pay attention to 2025 FIA WRC Sporting Regulations, Art. 62.3.7: Cars equipped solely with FIA-specified refuel couplings and using fuel as per Art. 62.1.2 must show it at pre-event scrutineering.

12. OTHER PROCEDURES

12.15 Permitted early check-in (amend)

Early check-in is allowed at the following time controls: TC1A, 8A, 14C, **16A,** 17A and 17C.

12.17 Overnight parc fermé (add)

Start of Section 5 on Friday, 28 November 2025 is at TC 8B, which is in the Service Park. Distance from the overnight parc fermé to TC 8B is approximately 850 meters and will be under parc fermé rules. Notwithstanding Art. 63.2.2 of the 2025 FIA WRC Sporting Regulations, crews may enter the parc fermé 15 minutes before their starting time on Friday, 28 November 2025.

In accordance with Art. 56.2.3 of the 2025 FIA WRC Sporting Regulations, any car that cannot be driven from the overnight parc fermé to TC 8B due to a technical failure will be assisted by the organiser. However, all time control procedures must be followed and any penalties for lateness will be applied.

12.20 Finish procedure (as amended in Bulletin 2 is now replaced with the following)

The finish podium ceremony and prize-giving will take place immediately after the Power Stage finish on Saturday 29 November at 14:20 hrs.

The Power Stage Holding Area starts at TC 17A and ends at TC 17B. In this area cars are under parc fermé rules (2025 FIA WRC Sporting Regulations, Art. 63.1.4). At TC 17B each crew will be given their actual start time for the last road section to the final time control, TC 17C.

After the completion of the stop control procedures on SS 17 the last car selected for live TV is required to be driven straight to the podium, without stopping at TC 17A.

All P1 crews and all crews that are awarded prizes as well as any crews requested by the FIA Media Delegate must drive through the podium. All other crews may proceed directly to TC 17B if they do not wish to drive over the finish ramp for a photo opportunity.

After completing the finish ceremony all cars must be driven by the crews to the parc fermé in Service Park following the Road Book. The final time control and the end of the competition element of the rally is TC 17C Parc Fermé IN. After the technical checks, cars selected for the final scrutineering will be driven to the scrutineering tent and all other cars to the final parc fermé.
