

BIRR STAGES RALLY 29 MARCH 2026

As Chief Marshal, I would like to thank each and every marshal for your support and dedication for the 2026 Birr Stages Rally.

The event would not have happened without your commitment and expertise and every one of you did so with a smile on your face.

Your willingness to go above and beyond, particularly in challenging conditions that prevailed during the first two loops, resulted in a successful event and more importantly you all played a vital role ensuring the rally ran safely.

I want you all to know that your professionalism did not go unnoticed by other Senior Officials and Observers who specifically noted the high presence of Marshals throughout the event.

Thanks also to all the Timekeepers and Marshals young and old, those who helped out on Saturday, delivering tyres and bales, assisting with Stage Set Up, Taping Crews, Recce sign on, Scrutiny, Unloading area, Trailer Park, Service Area, Refuelling, Parc Ferme and at the Finish Ramp.

My task as Chief Marshal was made all the easier with the help, and more importantly, advice of the three Stage Commanders and their Deputies for which I am eternally grateful. Thanks also to John, Davy, and the Directors & Officers of Birr Motor Club for putting their faith in me.

You can be proud that you were part of a fantastic organisational team who put this Rally together in an unprecedented 13 weeks. The compliments from competitors on Sunday evening in Parc Ferme made the organised mayhem of the last few weeks certainly worthwhile!!

Without you this would not have been possible.

Podge Neve

Chief Marshal

Birr Stages Rally 2026
