

BIRR STAGES RALLY 2026

29 MARCH

Thank You from the Clerk of the Course

As Clerk of the Course, I'd just like to say a huge **THANK YOU** to everyone who helped make the Birr Stages Rally such a success.

First of all, I want to thank the team around me who put in a massive effort in such a short timeframe, both in the lead-up to the event and on the day itself. A huge amount of work goes on behind the scenes long before the first car even starts, and I'm lucky to have had such a solid and hardworking group of people around me. Your support, commitment, and willingness to get stuck in wherever needed didn't go unnoticed.

A very special word of thanks also to the local civic bodies, local authorities, emergency services, landowners, farmers and especially the local residents for their support, cooperation, and understanding. Without that backing and goodwill, events like this simply wouldn't be possible.

To all of our competitors, thank you for your support and for putting on a great show all day. Well done to those who came away with the results, and commiserations to those whose day didn't go to plan or who didn't make the finish. Motorsport can be cruel at times, but the effort, commitment, and sportsmanship shown by everyone is what keeps the sport going.

A massive thank you as well to all of our officials, marshals, medical crew, rescue personnel, volunteers, sponsors, and everyone working away in the background. These events only happen because of the hard work and dedication of so many people, and it's very much appreciated.

It takes a huge team effort to run an event like this, and everyone pulled together to make it happen.

Thanks again to everyone who played their part, and I hope you all got home safe.

We'll look forward to seeing you all again at the next one.

John Tynan

Clerk of the Course
