

Competitor Bulletin 2 – November 6, 2025

Traffic during reconnaissance

The Junior Forest Wardens will be conducting work bee at their Christmas tree lot on the same day as reconnaissance. Junior Forest Wardens are children ages 6 to 17. The Christmas tree lot is located approximately 2 km from the north end of Powderface trail. You may encounter extra traffic and or pedestrians. Please take extra caution in the area.

A reminder, speed during reconnaissance is limited to 60 KPH. As per CARS rule 13.6.9

13.6.9 The maximum speed for reconnaissance on the stages is 60kph or the posted legal limit whichever is the lower speed. As well, event organizers may specify a lower or higher limit for a particular stage or portion of a stage.
