## VIII. OTHER INFORMATION

### 8.1 Running of the event

#### Warm-up & timed practices

Race weekend will begin with Warm-up followed by two time-practice. Drivers registered into **Slovakian Championships 2023** have only **one timed practice session**. Number of cars in each timed practice is limited to max. 6 cars. Each timed practice consists of 4 laps, counting starts from the first car crossing the finish line, all laps are measured. Every competitor is obliged to participate in timed training.

Before the second timed training, there will be a discussion with the drivers.

#### Qualifications heats

There will be total 3 qualification heats. Each heat does consist of 5 laps. Only those competitors who have started (to start means to **cross the starting line by the engine power**) in at least two heats and who have completed at least one race can be classified for the semi-final and final races.

#### Semi-finals and finals

The semi-finals duration is 6 laps, the finals duration is 7 laps.

#### Start procedure

During the start, the riders will see the sign **READY** on the board. After the sign goes out, it will be started within 5 seconds by turning on the green light.

### 8.2 Parc fermé

The closed parking lot will not be organized. The competitor must leave the vehicle at least 30 minutes after the publication of the preliminary final results in the depot without the intervention of mechanics.

### 8.3 Results

The results of each race will be published in the Sportity application as soon as they are complete. The composition of the final races will be published before the start of the final races. The final classification is compiled according to the order achieved in the final races. All results will be published on a digital board in the sportity application.

### 8.4 Amendments – Interpretation

In accordance with Article 3.6 of the Code, no changes may be made to these regulations after the start of the acceptance of entries, unless there is a unanimous agreement of all competitors, or based on a decision of the race officials for reasons of force majeure or security.

All other information for competitors, which will be an integral part of these rules, will be published in the form of numbered bulletins on the official board on yellow paper.

### 8.5 Protest – appeals

All protests will be lodged in accordance with the provisions of the MŠP FIA item 13. Time for lodging protests against the results or the classification (Article 13.4.4 of the ISC FIA) is within **30 minutes after the results on the official notice board**. The deposit for protests is 500 EUR and is payable with the filing of protest to the Clerk of the Course. The deposit will be refunded only if the protest is upheld. In the case of protest requiring the dismantling of the car, the estimated cost determined by the Steward shall be paid in deposit. The deposit must be paid within the period specified by the stewards in order to carry out checks.

Deposit for the National court of appeal of the Slovak ASN is 1.340 €.

### 8.6 Fire Extinguishers

Each driver is responsible for ensuring that a single piece extinguisher of minimum 5 kg is available within his own team area inside the paddock.

### 8.7 Protection of the Environment

Each driver is requested to ensure that a plastic sheet (minimum 4 metres by 5) is spread on the ground in the place reserved for his team where work is to be done on his car, in order to prevent any pollution in case of an accidental leak, etc

### 8.8 Driver Liaison Officer

Driver Liaison Office for this race is Mgr. Ivan Pupala He can be reached in driver's paddock close to entrance to the track during all the championship or will be on main tower. The Drivers' Liaison Officer will be recognisable as his picture will be posted on the Official Notice Board.

**Phone num.:** +421 948 201 425
