1. We have run out of room at the Vinton County Schools for the Saturday Service due more requests for over size service spots than ever before. To accommodate everyone, we have arranged for more service space in a lot directly across the street from the service park. The area is flat, smooth, and hard packed pea gravel. Please contact Chief of Service, Mike Short at service@southernohioforestrally.com or 740-703-6786 if you have any questions.

- In the Saturday Route Book please add the following on page 24, mileage 8.36 and on page 54, mileage 8.10:

TULIP	COMMENT
	Service Entrance #4 "Westside Motor Sales"

- Replace the service map on pages 25 and 55 in the Saturday Route Book with the attached map.
