

# 2024 Service Packet

June 6-8

SOFR Teams,

Welcome! We are excited your team is competing at the Southern Ohio Forest Rally, featuring stages in the Shawnee and Zaleski State Forests. Thanks!

All crew registration should be done prior to arriving at the event.

Tech is at the Chillicothe Transit Garage. Please follow the map enclosed. Tech is by appointment only. Email [sofrtech@southernohioforestrally.com](mailto:sofrtech@southernohioforestrally.com) to arrange an appointment.

Trailer parking and pre-event service space is available at M&M Fabrication, 18828 US-50, Chillicothe, OH 45601, contact Gary Timmons at 740-253-1197 for more information.

- **Thursday:** There is a Parc Exposé at Yoctangee Park, at the Chillicothe High School, overlooking SS #1. No trailers are allowed at Parc Exposé. There is no Service Park on Thursday. After TC1A, ending Day 1, there are no restrictions on service until TC1B.
- **Friday:** The Rally resumes at TC1B at the Service Park at Portsmouth **West** High School. There is **no** Parc Exposé on Friday. Cars will start directly from the Service Park. Most spots are paved. Service crews must use the entrance at the traffic light to **enter and exit** the Service Park.
- **Saturday:** The Rally restarts at Parc Exposé in downtown McArthur, OH. The Service Park is at Vinton County High School. Most spots are paved, but space is limited. If you don't need your trailer for service, see the map for the trailer drop location. Due to the limited space, we will issue service stickers at registration, without a sticker (service or recce) on your car you will need to park across the street at the church.

Scoring, Stewards, Clerks of the Course, and net control will be in a motor home at the service parks on Friday and Saturday, and at Parc Exposé on Thursday. Look for the signs.

Bathrooms and food are available at both Service Parks at their respective stadium buildings.

No servicing is allowed outside of the official Service Park during competition on Friday and Saturday.

Tarps must be used under vehicles when in a Service Park.

There may be Tech Zones (TZ) before each service on Friday and Saturday, and after TC9A on Friday evening. All teams must have a crew member present at the TZ.

Service crews need to inform the Service Chief, Mike Short (740) 703-6786, before leaving the Service Park to retrieve retired competition vehicles. Retired vehicles will be towed to the stage finish, if possible, or to an accessible junction. Mike will know where they are and be able to direct teams. Cars deemed too difficult to recover between sections will be left on stage. Stages will remain closed to traffic until after the second running.

We will be providing you with copies of this information at check-in.

SOFR Rally Committee

**Bathrooms are available at both service parks  
at the stadium concession stands. Food will  
also be available.**

## 2024 SOFR HAM Radio Frequencies

- SOFR is a centrally controlled Net – all communication goes thru Net Control
- Use stage simplex for set up and non-important communications

### Thursday – Chillicothe Stage Frequencies:

Net Control	147.015 +.600 repeater, 74.4 tone
Backup Net Control	147.510 simplex

### Friday – Shawnee Forest Frequencies:

Net Control	147.015 +.600 repeater, 74.4 tone
Backup Net Control	147.510 simplex
SS # 2/6	146.550 simplex
SS # 3/7	146.470 simplex
SS # 4/8	146.580 simplex
SS # 5/9	146.450 simplex

### Saturday - Zaleski Forest Radio Frequencies:

Net Control	147.015 +.600 repeater, 74.4 tone
Backup Net Control	147.510 simplex
SS # 10/14	146.550 simplex
SS # 11/15	146.470 simplex
SS # 12/16	146.580 simplex
SS # 13/17	146.450 simplex
